Serial To Ethernet (TCP/IP) Converter

Allows you to easily send serial RS232/422/485 over ethernet for controlling equipment over longer distances than traditional serial cables. Modbus support, TCP/RTU/UDP mode.

Price Each	RRP	2+	4+
D 4231	89.95	80.95	71.95

RS-232 To RS-485 Converter

Easy convert RS-232 signals into RS-485 signals allowing devices with incompatible hardware interfaces to exchange data. Ideally used with industrial automation, security systems and more. 9-12V DC input.

Price Each	RRP	2+	4+
D 4209	55.00	49.00	45.00

USB To RS-485 Converter

Ideal for interfacing security equipment in large installations. Converts USB output from a PC to RS-485 for transmission. Screw terminal connections. Surge protected. No power required.

Price Each	RRP	2+	4+
S 9721A	54.95	49.50	43.95

USB Type A To RS-232 Serial Converter

Converts USB A type plug to a DB9 serial plug. Suits most operating systems. 1.5m lead.

Price Each	RRP	4+	10+
D 2340B	29.95	26.95	23.95

USB Type C To RS-232 Serial Converter

Converts USB C type plug to a DB9 serial plug. Suits most operating systems. 1.5m lead.

Price Each	RRP	4+	10+
D 2346B 1.5m	34.50	31.95	30.50

PoE 1000Mbps Switches

D 4211

D 4212

D 4213A

D 4190

D 4206

D 4214

D 4215

Designed to deliver both power and ethernet connection to IEEE 802.3af/t compliant Powered Devices (PDs). Ideal for distributing to IP base camera systems, custom control plates and wireless APs.

D 4211 1 Gigabit + 4 x 802.3af/t, 65W max.

D 4212 4 Gigabit + 4 x 802.3af, 53W max.

D 4213A 8 x 802.3af/t, 126W max.

D 4190 4 Gigabit + 4 x 802.3af/t, 62W max.

D 4206 8 Gigabit + 8 x 802.3af/t, 124W max.

D 4214 2 Gigabit, 2 SFP + 16 x 802.3af/t, 250W max.

D 4215 2 Gigabit, 2 SFP + 24 x 802.3af/t, 320W max. Managed switch.

Price Each	RRP
D 4211 5 Port (TL-SG105PE)	122.50
D 4212 8 Port (TL-SG1008P)	132.50
D 4213A 8 Port (TL-SG1008PE)	220.00
D 4190 8 Port (TL-SG2008P)	225.00
D 4206 16 Port (TL-SG1016PE)	248.00
D 4214 16 Port (TL-SG1218MP)	405.00
D 4215 28 Port (TL-SG3428MP)	698.00

Dynalink® HDMI Cables

HDMI certified. Lifetime warranty. Offers high performance with V2.0 compliance. Supports 4K resolutions. 32 channels of audio. 18Gbits/s TMDS bandwidth. 48 bit/px deep colour.

Price Each	RRP	2+	4+
HDMI male to HDMI male			
P 7299B 0.75m	18.50	16.75	14.95

Mini Camera Mount

May be used with the included extension post to extend the mounting height to 110mm.

Includes mounting hardware.

Price Each	RRP	2+	4+
S 9066	14.50	13.00	11.60

Dummy Dome Camera

A realistic looking fake dome camera designed to discourage thieves and vandals. Includes realistic looking infra-red LEDs. Requires 2xAA batteries for operating red LED. Size: 95Ø x 75Hmm.

Price Each	RRP	2+	4+
S 9178A	17.25	15.25	13.95

Wide Area Infra Red IP66 Illuminator

COP

This illuminator can be used in any night application where insufficient light levels need to be boosted. It features very high power infra red LEDs providing up to 80m coverage. Housed in a rugged sealed aluminium case to withstand the elements. Power: 12V DC 1.5A. (2.1mm DC Input). Size: 150Hx120Lx88Wmm

Price Each	RRP	2+	4+
S 9143A	160.00	145.00	130.00

Video Surveillance Sign

A surveillance warning sign made out of "corflute" material. Not adhesive. Suitable for attaching to a fence, wall etc.

Price Each	RRP	4+	8+
S 9264 300 x 300mm	16.50	13.95	13.25
